

## NELI PRODUCTS BRING THE TRAINING & TOOLS TO YOU

Bring the training and tools to you! Our new NELI products include training and tools ideal for both special education staff and general educators. Keep abreast of the latest rules and regulations, make record keeping simpler, and learn at your own pace -- on site!

### **NEW! RTI FOLDERS - NEED HELP ACHIEVING EXEMPLARY STATUS? RTI = SUCCESS!**

Response to Intervention (RTI) is one of the cornerstones for building an exemplary program for any campus. RTI was developed to address the needs of the student who is educationally at risk for academics, behavior, or socialization. This folder is designed to make the RTI process easier to implement. As a comprehensive documentation tool, the folder is user-friendly and can effectively keep referrals to special education or 504 to a minimum, while ensuring student success. **(Cost: 50 Accommodation Folders for \$65.00, 100 Folders for \$100.00).**

### **STUDENT ACCOMMODATION FOLDERS**

Designed for quick access to a student's accommodation information, our Student Accommodation Folders are an easy-to-find canary yellow and contain accommodations that can be customized to each student. Since teachers are required to keep samples of the accommodated work, these folders are lifesavers for busy teachers who have multiple students with accommodations in their classrooms. A starter kit of 10 folders is included with our DVD, or you can order folders separately. **(Cost: 50 Accommodation Folders for \$65.00, 100 Folders for \$100.00).**

### **THE GENERAL EDUCATOR'S GUIDE TO ACCOMMODATIONS DVD**

Our **General Educator's Guide to Accommodations DVD** takes a lighthearted and humorous look at accommodations in the general education setting. An easy-to-digest 15 minutes in length, the DVD uses classroom-based scenarios to identify typical accommodations and to reinforce the concept that all teachers are responsible for implementing and documenting student accommodations, all the time. Each DVD includes a pack of 10 Student Accommodation Folders **(Cost \$125.00).**
